

If you did not see the popup confirmation message after registering for the giveaway carefully follow these steps:

From your PC use Firefox, Chrome or a Safari web browser.

1. Delete your browser's History, Cache and Cookies.
2. Restart your browser.
3. Go the giveaway page and click on 'Step Three: Enter the Giveaway'.
4. Click on the GTribe logo and register for the giveaway.

You should now see a popup confirmation message and later you will also receive a confirmation email.

If you continue to have problems email help@gamingtribe.com. Describe in detail your issue and include your browser version and OS.
